

What is involved with a supervisor issued diploma?

1. For this diploma, you keep all the paperwork, unless otherwise requested, see additional services below.
2. Please bring a copy of your current transcript each year to your evaluation. If you prefer I help you keep the transcript, please download the **SID (Supervisor-Issued Diploma) Credit Sheet** form from my website, fill it in and bring it to your evaluation. <http://www.his-homeschool-center.com/h&f.html>
3. You may find the SID Graduation Checklist helpful to use to track the 4 years of high school, then bring it to your 12th grade evaluation. <http://www.his-homeschool-center.com/h&f.html>
4. I will use the simple checklist form for the evaluations, but for 12th grade I will indicate on the eval form that graduation requirements have been met.
5. You determine the criteria for each credit and you develop the transcript. Find a transcript form online or ask about the one I have developed – Additional Services.
6. Print (or see other options below if you want me to enter the graduate's info in the same font and then print it) the diploma form from the PA Dept. of Ed. (PDE) website and bring it with you to your 12th grade evaluation and I'll sign it after reviewing the form mentioned above. <http://www.education.pa.gov/documents/k-12/home%20education%20and%20private%20tutoring/home%20education%20diploma%20and%20definitions.pdf>
7. I will need a copy of the completed diploma for my records to avert any crisis in the future in case your diploma is lost.
8. I recommend you submit a copy of your final transcript or diploma to the district. There are times when the district is contacted for financial aid and having proof of graduation in the student's district file will assist your student. This is not required by law, and is optional and voluntary, but may benefit your student in the long run.

Fees:

1. Basic eval, short form - \$30/year
2. If you want me to maintain a transcript - \$5.00/year.
3. If you want me to fill in the diploma with matching font, then email the edited pdf back to you for you to print - \$5.00
4. If you want me to print the diploma on parchment at the 12th grade evaluation - \$10.00 (Or send to you in the mail, add cost of postage)
